

St. Paul School

Newsletter

1.19.23

PIZZA: Forms and money were due today! We will let you know as soon as the delivery date is set and also who the top sellers were! Thank you to Courtney Tjelle for chairing this fundraiser!

FAMILY PROJECTS: The deadline for family projects is this coming Wednesday the 25th! Please get those turned in so we can display them in the gym for Catholic Schools Week. The ones that have come in already look great!

PURPLE COMFY DAY: Next Thursday the 26th, we will have a PURPLE COMFY DAY to raise money for the Cystic Fibrosis Foundation. This cause is very near and dear to our hearts at St. Paul! To help raise awareness and money for our friends with CF, if you bring in any monetary donation, you can have a PURPLE comfy day!

TRIVIA NIGHT: Just over a week left to get your trivia teams together for the January 28th event! Doors to the KC Hall in Odell open at 6:30 and questions start at 7:00. The cost is \$10 per player.

WORKERS: We are STILL in need of several volunteers to help on Trivia Night. Please let the office know if you can help. Thanks to Kim Frauli for putting this fun night together!

STEWARDSHIP MASS: Please let us know if you will be attending Mass next Sunday, January 29 so Mass parts can be handed out at school. Again, this is our Catholic Schools Week kick off Mass. We look forward to celebrating St. Paul School with our St. Paul Parish family!

OPEN HOUSE: Be sure to stop for coffee, hot cocoa, and donuts at school after Stewardship Mass. Shop the Scholastic Book Fair and check out all the family projects on display! If you know of any families interested in St. Paul, encourage them to join us for Mass or the open house. If you refer a family that ends up enrolling at St. Paul School, your family receives a 10% tuition discount!

VOLUNTEERS: We're also in need of a few people to get the coffee and donuts ready at school before Mass ends on Stewardship Sunday. Please let Kelli know if you can help!

SCHEDULE: Just over a week to go until Catholic Schools Week gets underway. Please stay up to date with the daily activities so all students can participate. A paper copy of the schedule went home with family projects earlier this month. It's also posted on the school's website and will be emailed out with this newsletter. We look forward to celebrating St. Paul!

COLLECTIONS: During Catholic Schools Week, we will be collecting items to donate to the Livingston County Humane Society and Operation S.O.S. (Support Our Soldiers) out of Dwight. We'll also be collecting monetary donations for ovarian cancer research. This is just one way we can show the wonderful giving spirit of our students and families. Please see the back side of the newsletter for a list of suggested items for each organization.

AUCTION MEETING: We are RESCHEDULING our booster club meeting that was set for this coming Monday. The new date will be sent via Remind.

UPDATE FROM MRS. LOVELL'S ROOM: Beginning our new quarter, the 7/8th grade has started a new novel study on the classic, Tom Sawyer. In Geography, each student has picked a country to write a research paper on, make it's flag, and create a food that is from that particular place. At the end of project, we will have a Geography Fair that will exhibit the students' hard work, and all students and families will be invited to attend. The 5/6th graders have begun a Figurative Language unit in Reading, continued the VIP papers in order to improve their writing techniques and editing skills, and they have started to study the Western Expansion of the United States.

"I know the plans I have for you, declares the Lord; they are plans for peace, not disaster, to give you a future full of hope." Jeremiah 29:11
