BASKETBALL: Though their trip to the IESA State Basketball Tournament didn't turn out the way they had hoped, we wanted to say again how proud we are of 8th graders Joe Duffy, Luke Josefik, Hunter Paulsen, Coe Peters, and Evan Wolf! It was a hard fought game on Saturday, and they have much to be proud of after their 23-3 season!

UPDATE FROM MRS. JOSEFIK'S ROOM: The last few weeks have been incredibly exciting! We enjoyed Catholic Schools Week and all the fun activities. We also enjoyed celebrating a state trip for the 8th grade boys basketball team. We had the daddy/daughter dance and are looking forward to the auction. The fifth/sixth will be making bean bag boxes for their auction project. We've been studying Vocations and Saints in religion and will be focusing on the Sacraments of Service. In math, the fifth grade continues to study fractions while 6th and 7th are solving equations. The 8th grade finished up sequences and learned about compound interest. The 5/6 science is talking about conservation while the 7/8 are learning about rocks.
