2-22-24

AUCTION UPDATE: We are just ONE WEEK away from the dinner, raffle, and auction on March 2! **Items must be turned in no later than tomorrow unless you have spoken to one of the chair people about turning it in later.** It's important that they're in ASAP so the auction website and paperwork for the event can be finalized. Thank you to those that have gotten items in already!

TICKET UPDATE: ONE WEEK to go on ticket sales, and we are sitting at 235 tickets sold! **Please keep pushing tickets in this final week.** Tickets will continue to be sold up until 6:45 the night of the raffle on March 2.

HELP!: We will need **all hands on deck** the night of our March 2 event! Please contact chairperson Andrea Scheuer at 309-219-3773 if you can help the night of the auction. We have quite a few spots open with some being more behind the scenes if that's what you would prefer.

MENU CHANGE: Tomorrow (Friday the 23rd) will NOW be grilled cheese, tomato soup, crackers, fresh veggies, and fresh fruit.

STEWARDSHIP MASS: We are looking forward to seeing many of our families this coming Sunday the 25th at our next Stewardship Mass. Students in grades K-8 are asked to sit upstairs in the choir loft. PreK students are also encouraged to attend, but we ask that those students stay downstairs with their families. As always, students participating in the Mass will get a COMFY DAY on Monday!

OGS BUS: There will be no OGS afternoon bus next Friday, March 1 as Odell dismisses early that day. Students will need a ride home, or after care is also available until 5:30.

TRACK & FIELD: Once the volleyball season wraps up, track & field will get started! More details will be coming soon from Saunemin Grade School. In the meantime, students in grades 5-8 wanting to participate need to have an up-to-date physical on file in the school office.

UPDATE FROM MRS. DORAN'S ROOM: First and second grade have been working hard during February. We have started to memorize the Ten Commandments. It is challenging, but it is helping the second graders as they prepare for the sacrament of Reconciliation. We have also been learning about the Lenten season. We have been talking about how Lent is a time to make small sacrifices and help to strengthen our relationship with God. We are even having a scavenger hunt at school to find small figures of Jesus. We are literally trying to follow Jesus! We are learning about addition and subtraction in math, and the second graders have started regrouping three digit numbers. We had a lovely Valentine's Day party and learned all about why St. Valentine is so special. We are looking forward to our Stewardship Mass on February 25. We continue to pray for our kind and generous benefactors every day.

1 Corinthians 13:13 "So now faith, hope, and love abide these three; but the greatest of these is love."
