Please get all items in by **this Friday, February 24!!** Again, if you can't get your items turned in yet, please let us know what they will be so we can get the auction website and paperwork finalized. Thank you to those that have worked so hard already on this fundraiser!

TICKET UPDATE: We are sitting at **300** raffle tickets sold. Please keep pushing tickets in this final week. Tickets will continue to be sold up until 6:45 the night of the raffle on March 4!

BOIL ORDER: Thanks for hanging in there as the village boil order has lasted a bit longer than expected. We will let you know as soon as it's lifted. Thank you to those that have sent in extra water for the kids at school.

STEWARDSHIP MASS: Our next Stewardship Mass is THIS Sunday, February 26 at St. Paul Church at 8:00 a.m. Mass parts have been handed out at school. If your child has been assigned a part, but come Sunday morning, you can't make it, please contact your child's teacher or send a Remind message. Students in grades K-8 are asked to sit together **upstairs in the choir loft**. Any Kindergarten student that would prefer to stay downstairs with their family may do so. PreK students are also encouraged to attend, but we ask that they sit with their families.

LENT: Please see the attached flyer regarding daily activities to do at home to help you on your Lenten journey!

OGS BUS: There will be no OGS afternoon bus next Friday, March 3 as Odell dismisses early. Students will need a ride home or after care is also available until 5:30.

TRACK & FIELD: Once the volleyball season wraps up, track & field will get started! More details will be coming soon from Saunemin Grade School. In the meantime, students in grades 5-8 wanting to participate need to have an up-to-date physical on file in the school office.

SHOE BOXES: It's that time of year when those pesky leprechauns begin to wreak havoc around the school! However, the first and second graders are on the case, but they need your help! We are in need of shoe boxes that the students will decorate and fashion into leprechaun traps. If you have any shoe boxes at home that you're able to donate, the students would certainly appreciate it! Thanks!

UPDATE FROM MRS. LOVELL'S ROOM: The 7/8th grade class has been working on their Geography Fair projects for three weeks, making flags, creating maps, and researching their chosen countries, writing a 5 page paper with citations. On February 24, they will present their projects, complete with display boards and items from their countries or foods based on their research! Families are welcome to attend! They also finished Tom Sawyer in Reading. The 5/6th graders finished a novel study on Old Yeller, culminating with the showing of the classic movie. They will begin their biography research projects that ends with a presentation before Spring Break.

"And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ." Philippians 1:6
