

# ST. PAUL CATHOLIC SCHOOL

## NEWSLETTER

**3.31.22**

**TRIVIA NIGHT:** Registration forms are attached for our upcoming trivia night fundraiser on Saturday, April 23 at the KC Hall here in Odell. Doors open at 6:30 and questions start at 7:00. The cost is \$10 per player, and teams can be made up of 8-10 players (kids included). Food and beverages will be available to purchase.

**WORKERS:** We need **5 volunteers** to work at trivia night. Several moms had volunteered for the previous date that had been postponed so please let us know if you're available to work on April 23.

**SACRAMENTS:** We ask that you please keep the following students in your prayers as they will be marking important milestones on their faith journey in the next few days: Rowan Legner, Maizie McDermott, Nolan Mills, and Lucy Sturms (who will be making their First Reconciliation tomorrow & First Communion on May 1) and Noah Davis, Joe Duffy, Addison Eggenberger, Luke Josefik, Hunter Paulsen, Coe Peters, Evan Wolf, Nolan Weis, and Graham Wolf (who will be Confirmed on Saturday in Peoria).

**LENTEN MASSES:** Several of the Holy Week Masses have been flip flopped. Here is the updated schedule:

- Holy Thursday - 4/14 @ St. PAUL - 6 p.m.
- Good Friday - 4/15 @ St. PAUL - 3 p.m.
- Holy Saturday - 4/16 @ St. PATRICK - 8 p.m.
- Easter Sunday - 4/17 @ St. PAUL - 8 a.m. (Stewardship Mass)

**SERVERS:** Students in grade 5-8 are needed to serve the Holy Week Masses. Please follow the link to sign up - [www.signupgenius.com/go/409094DA4AE28A4FD0-altar](http://www.signupgenius.com/go/409094DA4AE28A4FD0-altar)

**FIELD TRIP:** An info sheet and order form has gone home (or will soon!) for the April 22 Gamma Phi Circus field trip for students in **grades PreK-4**. Forms and payment need to be returned by Thursday, April 7.

**LIVING STATIONS:** Students in grades 5-8 will be performing the Living Stations of the Cross next Friday, April 8 after the 8:30 school Mass at St. Paul Church. ALL are invited to join us for Mass and this moving performance. Students will also perform the stations that evening at St. Patrick Church in Dwight at 6:30.

**SAFETY DRILLS:** A school tornado drill and a fire drill will take place this coming Wednesday, April 6. Such drills are mandated by the state and help to ensure your child's safety in the event of an emergency at school. Please contact the office if you have any questions regarding either drill.

**YEARBOOKS:** If you would like to order a 2021-2022 yearbook, orders are due by Friday, April 15. There are **no forms** this year. All ordering will be done online. Go to [ybpay.lifetouch.com](http://ybpay.lifetouch.com). The school code is 10361022. From there, you will enter your child's name and grade to order. Please note, we co-op with Odell Grade School on the yearbooks so they will be listed on the ordering page.

**CUSTODIAN:** We are once again in need of a custodian! Parents or family members that would be interested have the option of "working off" tuition fees. Help us with our search! Think of any family or friends that may also be interested. It's only about two hours a day, and times are flexible as to when you would come in. Please contact us with any questions.

**SCHOLARSHIPS:** We strongly encourage families to take advantage of the scholarship programs the Diocese of Peoria has to offer - the John Lancaster Spalding Scholarship and the Empower Illinois Tax Credit Scholarship. Applications for the 2022-2023 school year are open now! Please visit [www.cdop.org](http://www.cdop.org) for more information and to apply.

**UPDATE FROM MRS. JOSEFIK'S ROOM:** We are looking forward to celebrating the Sacrament of Confirmation. Congrats to Noah, Joe, Addison, Luke, Hunter, Coe, Nolan, Evan, and Graham as they celebrate on April 2 at the Cathedral in Peoria.

Fifth and sixth grades have been studying the Kings in religion. Fifth is multiplying and dividing fractions. Sixth has been learning about percents. Seventh and eighth have also been working on percents. In science we are learning about human influence on the environment. The seventh and eighth are studying DNA.

**UPCOMING ST. PAUL CALENDAR:**
