4.27.23

1st COMMUNION: This coming Sunday is a very special day for many of our second graders as we celebrate the Sacrament of the Holy Eucharist. Please join us at St. Paul Church for the 8 a.m. Mass. We ask that any students in attendance sit behind the organ downstairs and make up our choir. **Those that participate will receive a COMFY day on Monday AND Tuesday.** Please keep Lily, Charlee C., Layne, Remle, Kailie, Eileen, and Oliver in your prayers as they make their final preparations for First Communion.

LUNCHEON: Thank you to all the grandparents and special guests that attended last week's lunch! We especially want to thank our wonderful kitchen crew (Paula, Marie, Jan, & LuAnn) and all our teachers and staff for helping to make Friday such a special day!

KICKBALL: The Civics Club will be hosting their 2nd Annual Kickball Tournament next Thursday afternoon for students in grades K-8! Notes will go home today with teams and team colors. This will be a COMFY day, but again, please wear your team colors. There will also be a concession stand available during the tournament.

YEARBOOK: The 2022-2023 yearbook is available to order online. To purchase, please go to ybpay.lifetouch.com. The school code is 10361023. From there, you will enter your child's name and grade to order. Please note, we co-op with Odell Grade School on the yearbooks so they will be listed on the ordering page.

BILLS: May balance statements will be coming home first thing next week on blue paper!

YETI: There are still squares available for a chance to win a Tundra 65 Yeti cooler! The winner will be drawn at this year's golf outing on June 11. Each square is \$20. If you would like to purchase a square for your chance at the cooler, please send the money in to the office, along with the name for the square. Thank you to the Weller Agency in Dwight for donating the cooler!

BOOSTER HOURS: Please turn in your Booster Club survey that was attached to last week's newsletter by Monday, May 8. You may also complete the survey online by going to <https://s.surveypplanet.com/0xo588x9>.

AVANTI'S: Order forms for Avanti's lunches also went home last week on purple paper. Please have those turned in by next Wednesday, May 3.

UPDATE FROM MRS. MCDERMOTT'S ROOM: With only a few short weeks left the 3rd and 4th graders continue to make outstanding progress. In science we are eagerly waiting for the eggs in the incubator to hatch while learning about poultry production and the life cycle. In religion we are learning about Catholic traditions and the history of the Catholic faith. In math the 4th grade students just conquered the challenging unit on long division, while the 3rd grade students excelled with multiplying large numbers. We continue to grow and learn from each other every day.

"All your children shall be taught by the Lord, and great shall be the peace of your children." Isaiah 54:13
