5.11.23

FIELD DAY: At this time, activities for tomorrow are still on as scheduled. We are keeping an eye on the weather and will send out Remind messages with any updates. Mass will start at approximately 8:30 then students will head outside for a variety of activities. Friday is a COMFY DAY for all.

WHAT TO SEND: Kids are encouraged to bring a change of clothes/shoes and a towel tomorrow as there will be water games and the ground will more than likely be muddy. Please LABEL your items!! There will be a lot of kids here, and we want to make sure everything gets back home to you. A concession stand will be open so parents can send money in for that. You may send money in a ziploc bag with your child's name on it. We also suggest sunscreen too. If you did not order an Avanti's lunch for your child, make sure to send a sack lunch. Hot dogs will be available to purchase at the concession stand while supplies last. Be ready for a day of fun!

VOLUNTEERS: We encourage all our parent volunteers to attend Mass with the kids, but if you can't, please arrive no later than 9:15.

TRACK & FIELD: Congratulations to Joe, Luke, Hunter, Jacey, Mike, and Lilly on a successful track and field season! Many of our student athletes achieved "personal records" this year. Eighth grader Joe Duffy qualified for the State Track Meet in the high jump again this season! We wish him the best of luck as he competes among the state's best tomorrow!

PHYSICALS: The Livingston County Health Department is once again offering immunizations and sports physicals for the upcoming school year. For more information or to schedule an appointment, please visit www.lchd.us.

REGISTRATION: Packets for next school year will be coming home next week. Families that return paperwork before the last day of school will receive a discount on book fees. Make sure to read the tuition info sheet and note that will come home with the packet as several fees have been added or adjusted. Thank you.

YETI: Less than 30 squares remain for a chance to win a Tundra 65 Yeti cooler at this year's June 11 golf outing! If you would like to purchase a square for \$20 for your chance at the cooler, please send the money in to the office, along with the name for the square. Thank you to the Weller Agency in Dwight for donating the cooler!

THANK YOU: Our teachers sincerely appreciate all the thoughtful gifts, lunches, other delicious treats, and kind words that have been sent their way during teacher appreciation week. Thank you for your generosity!

UPDATE FROM MRS. HART'S ROOM: The students in PreK and Kindergarten are finishing strong with many May events. For the first time, PK will be included in the field day activities. We are having fun preparing for our annual Celebration evening. We have a field trip planned. Kindergarten students will be the leaders of the Liturgy service on Awards Day. Whew...and we are still learning, playing, and praying! Love like Jesus.
