### 5.19.22

**STEWARDSHIP MASS:** Our final Stewardship Mass is this coming Sunday, May 22. Let's make the last one our best attended of the school year! As usual, please sit on the left hand side downstairs behind the organ. Those that participate in the Mass will receive a COMFY day on Monday! Any students that participate in BOTH the Graduation Mass AND Stewardship Mass can have COMFY days ALL next week!

**THANK YOU!!!:** We've had a lot going on the last few weeks, and we want you to know how much we appreciate everyone who has helped in any way. Many hands have come together for field trips, the Avanti's fundraiser, and especially Field Day. At the risk of leaving someone out, we won't thank everyone by name, but know how grateful we are for the help last week and during the entire school year!

**REGISTRATION:** Materials for next school year will go home Monday. Packets returned before the last day of school on Thursday will receive a discount on book fees. Make sure to read the tuition info sheet and note that will come home with the packet as several fees will be going up.

**REGISTRATION 2.0:** In-person registration is set for Tuesday, July 26 from 10a -12p and 4-6p. Families that turn their paperwork in prior to that date do NOT need to attend the in-person registration. The first day of school is Wednesday, August 17! The full calendar will go home with the registration packet.

**LAST DAY:** Thursday the 26th is the last day of the school year with an **early dismissal at 11:30**. School Mass will be at 8:30 and will be led by our Kindergarten class! Awards will follow at the church. Families are encouraged to attend if they are able. Students may leave with their parents when awards are over, but you **MUST** tell your child's teacher before leaving.

**KITCHEN:** We will once again be looking for a cook for next school year. If you would be available one or two days a week rather than full time, we can make that work! Please pass along any names of people that might be interested.

**UPCOMING EVENTS:** Please mark your calendars for events we currently have scheduled over the summer. This is a great way to get a jump start on your Booster Club hours for next school year!

- \* Saturday, June 4..... Civics Club Car Show (concessions)
- \* Sunday, June 12.....Golf Outing
- \* Saturday, July 9..... Odell Days Run/Walk
- \* Wednesday - Saturday, July 20-23..... Ag Fair Ticket Taking/Parking

**GOLF OUTING:** We are in need of several more volunteers for the golf outing on June 12 at Wolf Creek. Those currently signed up to work are Mike Lovell, Doug & Kathy Patten, Jessica Mills, Holly Weikum, and Angie & Emma Eggenberger.

**UPDATE FROM MRS. HARBACK'S ROOM:** The 3<sup>rd</sup> and 4<sup>th</sup> graders are studying the Beatitudes in Religion class. In math, third grade is working on time, mass, volume, and length measurement and fourth grade is studying decimals. Both classes are reading *Stone Fox*. In language arts third grade is studying adverbs and fourth grade is studying prepositions and prepositional phrases. The West region is our last region of study in social studies, and we are studying the solar system and planets in science. Thank you for your generous support of St. Paul School.

*"Give thanks to the Lord who is good, whose love endures forever!"* Psalm 107:1

**CONGRATULATIONS!:** What a wonderful evening celebrating our 8th graders! Best wishes to Drayden, Nolan, and Graham as they continue on their educational and spiritual journey. We will miss having them at St. Paul School!
