### 9.14.23

**STEWARDSHIP MASS:** Our first Stewardship Mass of the year is this Sunday the 17th at St. Paul Church at 8 a.m. Mass parts have been handed out at school. If your child has been assigned a part, but come Sunday morning, you can't make it, please contact your child's teacher or send a Remind message. Students in grades K-8 are asked to sit together **upstairs in the choir loft.** Any Kindergarten student that would prefer to stay downstairs with their family may do so. PreK students are also encouraged to attend, but we ask that they sit with their families. Those that participate in the Mass can have a COMFY day on Monday!

**ICE CREAM SOCIAL:** Please join St. Patrick, Sacred Heart, and St. Paul parishioners, along with members of our school in welcoming Fr. John Bosco to our parish families this Sunday from 2:00-4:00. Cookies and ice cream will be served at St. Patrick Parish Hall in Dwight during the open house. We encourage you to invite any family or friends that may have stepped away from the church to join us for Stewardship Mass and/or refreshments in the afternoon.

**HAWAIIAN DAY:** What a beautiful day last Friday was! Not only were many bright colors on display, but the giving power of our St. Paul families was on display as well. With your help, we raised over \$450 to send to Sacred Hearts School in Lahaina, Hawaii to aid in their rebuilding efforts! Thank you to those that donated.

**TRIVIA NIGHT:** Thank you to all that helped at and attended Trivia Night last Saturday! We especially want to thank chairperson Kim Frauli and the Odell Knights of Columbus for the use of the hall. The teams had a blast! Congrats to "The Mixed Nuts" for taking the crown!

**PARADE:** We are still in need of several families to walk or ride the school bus in the Harvest Days parade next Sunday, September 24. The Basset Waddle steps off in Dwight at 12:45, with the rest of the parade to follow at 1:00, HOWEVER, we will not know our staging location until 10:00 that morning. We will send out a message that morning to those participating to let them know where to line up. Please let us know if you would like to represent St. Paul School in the parade!

**CANDY:** If you can't be in the parade, but would still like to help, you can donate bags of candy to the school that we'll use to hand out along the parade route. Thanks!

**STREAM SUPPLIES:** St. Paul students will start their school wide STREAM projects soon. Once a month, students in grades K-8 work together in groups to put their knowledge of Science, Technology, Religion/Research, Engineering, Art, & Math to the test to complete assigned projects. As these projects get started, we'll be in need of shoe boxes, empty toilet paper rolls, empty paper towel rolls, construction paper, googly eyes, sequins, rubber bands, glue sticks, etc. Please send in any supplies you want to donate with your child. Thanks!

**UPDATE FROM MRS. JOSEFIK'S ROOM:** It's hard to believe we've been in school for a month. The fifth and sixth grades began religion class by learning how to use a bible. We did bible scavenger hunts. We have also begun studying the Old Testament. In science, they are studying about types of plants. The seventh and eighth graders are studying cells and cell parts. We are learning about decimals in fifth and ratios in sixth. The seventh and eighth grade have been having a good time playing probability games while learning about probability. They are also learning statistics. We are off to a great year!!
