STEWARDSHIP MASS: What a wonderful turn out at our first Stewardship Mass this past Sunday! Thank you to the parents and other family members and friends that were there and celebrated with us. Our next Stewardship Mass is set for Sunday, October 16 at St. Paul Church.

TRIVIA NIGHT: Get your forms turned in for team trivia night, happening THIS Saturday the 17th at the KC Hall in Odell. Doors open at 6:30 and questions start at 7:00. The cost is \$10 per player. A concession stand with pizza and snacks will be available, and the Knights of Columbus will have beverages available to purchase as well. Thank you to the Odell KC's for their continued support of St. Paul School!

UPCOMING FUNDRAISERS: We're about to kick things into high gear on the fundraising front! On the heels of this weekend's trivia night, Annual Fall Raffle tickets and Avanti's lunch forms will come home first thing next week. More details will come along with each. Again these fundraisers and your support and participation are absolutely crucial to all of us here at St. Paul School! We appreciate all your help!

BUS ROUTE: We are in need of a driver for our Dwight bus route, both morning and dismissal. If you or anyone you know is interested or has any questions, please contact the office at 815.998.2194 or schooloffice@saintpaulodell.com.

OGS BUS: Just a friendly reminder to please be mindful of the Odell Grade School bus as you drop off in the morning. There are two buses that drop off between 7:20-7:30 and a third that picks up students on Tuesdays & Wednesdays just before 8:00. Please do not park between the bus stop signs in front of the school during those times. You can pull in front of the signs to drop your children off or pull into the side lot. Thanks!

UPDATE FROM MRS. KINATE'S ROOM: Hello from third and fourth grade! We have had the chance to view art lessons prepared by Mrs. Gross from St. Mary School in Woodstock, IL. These are lessons she prepared for her children during remote learning, and we are grateful she has shared them with us! Last week, we studied the use of line in art and looked at some of the works of Vincent vanGogh and Henri Matisse. We then tried out our artistic talents by using lines to draw a landscape. What beautiful masterpieces the third and fourth graders created!

*"We are all one in Christ, but each of us has different gifts through which we help others."
1 Corinthians 12:27-33.*
